If you require dates outside of this period, please note your preferred dates in the 'Special Requirements' section of the accommodation page on the registration form. The Congress Office will contact the hotel direct and advise you of availability.

If you wish to pay for your accommodation in advance by credit card or bank transfer, please note this request in the 'Special Requirements' section of the accommodation page of the registration form and the Congress Office will be in contact to finalise the payment with you.

You will be required to settle your room and incidental expenses direct with the hotel on arrival or departure.

Arrival

Please note the check in time at the hotels is generally 1500hrs. If you require immediate access to your room prior to this time, hotels generally recommend booking the evening before your stay commences. If you are arriving after 1800hrs please note this accordingly to ensure your room is held for your arrival.

The booking terms for each hotel are detailed on the registration form. Please review the terms for your preferred hotel for penalties that will apply should you cancel or reduce your stay (by one or more nights) or fail to arrive at the hotel on the designated day of arrival (no-shows).
